Block of the month –. There has been a suggestion that we double up on the blocks so that we can get them finished quicker. Therefore starting in Aug we will be handing out two blocks each month. This month's Blocks are called "Summer Breeze & Bunny Hop" respectively. Don't

forget the BOM dates are Tuesday the 17th of Aug & Saturday the 21st of June.

Garden Patch Cats Block of the month – On Thursday June 17th we started the new Block of the month series called "Garden Patch Cats" by Helene Knotts. The idea is to finish the quilt in 6 months.

The two blocks illustrated to the left will be given out on Aug19th. As you can see these 15" square boxes use appliqué techniques to give them their beauty and distinction. Each block illustrates a vegetable of some type. The block on the left is the called "PumpKat "

and on the right "Stocker". I know that you will all have fun putting them together
